

Veteran's Day Project

Greetings Scouts and Parents of Troop 648

Please join me and the other participating scouts this coming November (the 6th and 11th) for my Eagle Project. This two-day event takes place at St. Francis Cemetery; however, the first day of the project will be the meat of the project. On the 6th, the scouts will plant flags, clean headstones, reseal the bronze headstones, and clean away the dead grass/weeds in the veteran's section of the cemetery. This is in preparation for the memorial dedication on November 11th. Any questions? Please call!

Nov. 6 (7:00am to 11:00am); Nov. 11 (To Be Determined)
